Video & Audio: Promotional and short-form video editing, storyboarding and content planning, YouTube and social video production, audio production (Adobe Audition, Cubase, Ableton)

Software: Adobe Illustrator, Photoshop, InDesign; Affinity Designer, Photo, Publisher; Canva; CapCut; DaVinci Resolve; Microsoft Excel; Google Workspace

Production: CNC and large-format branding machines, printing and cutting workflows, printer troubleshooting and maintenance, production scheduling

PROFESSIONAL EXPERIENCE

Freelance Video Content Producer | Jan 2026 - Present

Self-employed, Nairobi

- Produce and edit promotional and social media video content for music and brand clients.
- Released music video work including "CKol - Liquid Gold (feat. Kiwado)" on YouTube.
- Handle the full pipeline: concept, storyboard, shoot coordination, edit, colour, and delivery.

Graphic Designer | May 2025 - Aug 2025

China Village Supermarket, Machakos / Nairobi

- Designed and installed interior graphics across supermarket retail spaces.
- Created two large-scale billboards deployed in Nairobi and Machakos, increasing brand visibility.
- Led branding initiatives across supermarket and office locations to reinforce brand identity.
- Produced posters, vouchers, document and sheet templates, and digital and physical assets.
- Supported the Marketing Executive with campaign concepts and tracked project milestones in Excel.

Graphic Designer & Operations Coordinator | Dec 2024 - Mar 2025

Bevoch Family Graphics, Mlolongo, Machakos

- Coordinated the full project lifecycle from client brief to production and installation.
- Maintained financial records including daily cash books and sales logs.
- Implemented job tracking processes that improved accountability and workflow clarity.
- Monitored inventory to reduce stock discrepancies and supported client deliverable negotiation.

Technical Operations & Design Associate | Jul 2024 - Nov 2024

Pari Graphics Ltd, Kitengela, Kajiado

- Operated multi-machine digital production systems (CNC, printing, and cutting workflows).
- Scheduled and coordinated production tasks to meet client deadlines.
- Maintained transaction records and monitored stock control systems.
- Improved coordination between sales, design, and production units.

EDUCATION

Bachelor of Science in Software Engineering | Expected December 2026

University of Eastern Africa, Baraton - Nandi County, Kenya
